

Mark of Excellence Preschool Donation Request

As many of you know, the fire that occurred on Tuesday, February 16, destroyed a large portion of our church building and the Mark of Excellence Preschool. This devastation has displaced our preschool and created an immediate need for supplies for the children who attend the preschool.

We need your help to provide some much-needed supplies for the Mark of Excellence children. We are working very hard to minimize the disruption to the children who attend the preschool and maintain as much normalcy as possible.

We are asking for all those who can, to please, make either a financial or supply item donation as soon as you possibly can. Thank you for your continued prayers, support and generosity. We will make it through this and become better than we were before.

Much Needed Items

Portable Potty Chairs

Potty Adapter Seats

Step Stools

Toddler/Children's Bibles

Portable CD Player
